Mountainside Medical also carries a full line of Adult Diapers and incontinence Products to fit your everyday needs!

# Kendall Adult Diapers

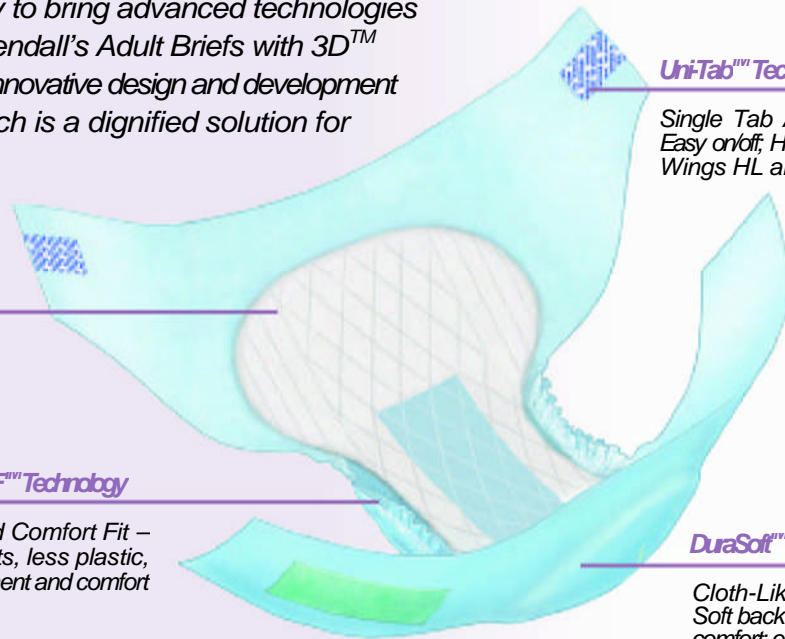

with **3D™** Technology.

Tyco Healthcare has leveraged its position as a leader in the absorbent hygiene industry to bring advanced technologies to the adult brief market. Kendall's Adult Briefs with 3D™ Technology have combined innovative design and development elements, the result of which is a dignified solution for incontinence care.

**ACM™ Technology**  
Anatomically Contoured Mat – Comfortable protection, co-mingled polymer and fluff, high performance blue dryness strip

**CCF™ Technology**  
Customized Comfort Fit – Higher leg cut-outs, less plastic, improved fluid management and comfort

**Uni-Tab™ Technology**

Single Tab Attachment – Easy on/off; Hook & Loop on Wings HL and HL Ultra

**DuraSoft™**

Cloth-Like Backing – Soft backing for dignity and comfort; exclusively on Wings HL and HL Ultra
