ynarex Corporation, established in 1967, is a leading manufacturer of a broad range of disposable medical products. **Dynarex** has enjoyed unprecedented growth over the past 7 years, due in large part to the support from you, our distributor partners. We sincerely thank you for your efforts and at the same time wish to assure you that **we are committed to your continued success** in today's competitive environment.

Our recent investments in state of the art alcohol prep pad machinery, as well as in our joint venture manufacturing facilities in categories such as wound care, gloves and bandages will allow us to continue to provide you with consistently high **quality** products at **competitive pricing** and **superior service** designed **to enhance your bottom line**.

Upon review of our enclosed 2004 catalog, you will find a number of new items have been added to our already broad line of disposables: Underpads, vaginal specula, instant cold and hot packs, along with many new wound care, emergency first aid and patient care products.

In January of 2003, Dynarex Corporation acquired select assets from **Tillotson Healthcare**, a leader in innovative hand covering solutions and owners of **proprietary patents to produce several of the most unique gloves in the industry**. For additional information please see section 10 of this catalog.

We are committed to the manufacture of the highest quality disposable medical products as well as the competitive position and profitability of our distributor trading partners. We look forward to working with you in structuring programs which will provide assistance in meeting your sales and marketing objectives. Please contact your sales representative to learn what **Dynarex** and **Tillotson Healthcare** have to offer.
