

Envisioning a Greener Tomorrow

Greening the Cleaning®
It is our mission to provide the public with the safest and most environmentally responsible cleaning products possible.

Winter Wash Neutral Floor Cleaner

DIC13 640.14

"This product qualifies as a USDA BioPreferred product for Federal preferred procurement"

Environmental Choice Certified

DESCRIPTION:

Removes white film of ice melt chemicals deposited at entrance ways. Demineralizes salt deposits on floor. Reduces slip hazards by eliminating the ice melt film which attracts water

SIZES:

4 - 1 gallon case

5 gallon drum

DIRECTIONS:

Don't let ice melt chemicals dull your beautiful floor. For routine winter use, add 1 part Winter Wash to 30 parts cool water. (1.5 oz. per gallon). Mop daily. For heavy film, add 1 part Winter Wash to 40 parts cool water (3 oz. per gallon). Apply mixed solution liberally with mop, allow to soak a few minutes. Now wring out mop and pick up dissolved ice melt. Can also be used in automatic scrubbers. For ice melt and rock salt stains in carpets, add 1 part Winter Wash to 64 parts carpet extractor actor rinse water.

ANIMAL RIGHTS

- Contains no animal-derived ingredients.
- Finished product has not been tested on animals.

ENVIRONMENTAL AND HEALTH

All ingredients are biodegradable. Free of petroleum distillates, ammonia and ammonium compounds, alkyl cello-solves, chlorinated solvents, pine oil and phosphates. Gray Water and Septic Tank Safe.
